

## BBBRRRRR! Baby, it's cold outside

Time for Cold Cash for College. Is your classroom up for the challenge? Shady Lane and Valley View have been offering scholarships to our high school seniors who are alumni. The goals of this program were established to create awareness and understanding for the process of furthering the student's education in both the college and technical school settings. It supports and demonstrates the value of higher education and rewards graduating seniors with monies for their academic success, along with leadership and citizenship achievements.

**Starting February 1<sup>st</sup>-February 5<sup>th</sup>**, each school will have a classroom challenge to see which top 3 classrooms can bring in the most "cold cash" for this scholarship fund. We will award the top 3 classrooms with a reward. Shady Lane and Valley View will award our seniors in May of 2021.

We'll have a little fun with dress up days to encourage each other to bring in some "cold cash" for the scholarships.

Monday, Feb.1<sup>st</sup>- Pajama/slippers day

Tuesday, Feb.2<sup>nd</sup>-Tie Dye/Neon day

Wednesday, Feb.3<sup>rd</sup> -Wacky Wednesday (wear some wacky clothes)

Thursday, Feb.4<sup>th</sup>-Superhero day (dress as your favorite super hero)

Friday, Feb. 5<sup>th</sup>-FANCY FRIDAY (Come to school dressed in fancy clothes)

*Thank you for supporting Shady Lane and Valley View alumni and recognizing the hard work and commitment of the youth in our community!*
