

In honor of Tori Walhovd, a Wilms Tumor cancer survivor & now 6 year old energetic girl, we are striving to bring these pouches filled with goodies to other children to occupy the long days & nights spent in treatment & away from home. You can sponsor one of these totes with just a \$20 donation. Help us support the many families at American Family Children's Hospital in Madison, WI dealing with a sick child.

Cash donations of any size will be collected to be pooled for purchasing additional totes and/or materials to fill these care packages. Coloring books, markers, color pencils, crayons, playdoh, colored pens, stickers, journals & notebooks are just a few examples of items that we will be utilizing. Please contact Chrissy Gascho if you are interested in a monetary or material donation at christinagascho@waunakee.k12.wi.us
